

**Horrabridge Parish Council Planning Sub-Committee**

**Minutes for Planning Meeting held on 3 October, 2018**

**Present:** Cllrs Steve Roche, Paul Beard, Andy Moorehead, Eric Hemsil.

**Application No:** 0505/18

**Proposed:** Removal of existing outbuildings and replacement with proposed garage/store at Heather Lea, Plymouth Road, Horrabridge.

Cllr Roche explained: “The applicant already has permission to build a much larger extension, attached to the house. He has decided it is unnecessary and his money will be better spent on a smaller development. This application has the replacement building taking up just about the same footprint as the existing building. It will be fairly unobtrusive and look better than existing, which is becoming a little tired.”

**Conclusion:** The sub-committee voted to **support**.

**DNPA were informed of HPC’s observations on:** 3<sup>rd</sup> October, 2018.
